COLLECTION

ST. PAULS

The St Pauls collection embodies the fusion between robust modern design and outstanding performance.

Further separating Ryan & Gilbert from his market rivals the St Pauls collection enables fine watchmaking to be attainable.

"TIME AND AGAIN, YOU FIND YOURSELF DRAWN TO THE FINE DETAILS OF A WATCH."

The 12 sided dodecagon bezel finished in both brushed and polished stainless steel is held in place by 4 Individual screws, helping the St Pauls collection achieve its 10ATM water resistance. The Vulcanised rubber strap is finished in black with lined detail and completed by a Stainless-steel pin buckle carrying the R&G logo.
